

## Driving Directions

From Boston Logan Airport

Stay to the right when exiting the airport.

Follow Signs for Route 1A North and follow it until you see signs for Route 60 West to Route 1 North (in Revere, at a large intersection). (Route 1A goes off to the right, DO NOT take this). Follow Route 60 through two rotaries to Route 1 North.

Follow Route 1 North to Route 95 N.

Take 95 North to Newburyport exit 57 (Route 113). Mechanica is less than 2 miles from the exit.

Turn right at the end of the exit onto Storey Avenue. Proceed on Storey Ave past shopping plazas on the right. Storey Ave becomes High Street soon after, curving to the right.

Continue on High Street until you see a sign for Downtown Newburyport. Take left at sign onto Green Street (Blue Water Cafe is on the corner). Follow Green Street to end and take right onto Merrimac Street.

Follow Merrimac Street as it bears to the left. It now becomes Water Street. Follow Water Street for .2 miles. Mechanica 75 Water Street is a glass, wood and steel building on left hand side, and a Mill 5 sign is on top of the building.

Use the parking lot behind the building. Mechanica occupies the entire second floor of the building.
